POLYTRON informs

Dear Ladies and Gentlemen!

According to the Dodd–Frank–Act Title XV (Sec. 1502) US-companies have to disclosure whether they use so called conflict-materials originating in or near the Democratic Republic of the Congo and which are benefiting armed groups in the area.

We would like to confirm, to the best of our knowledge and according to the actual status of technology, that below listed materials are neither being used nor added during the production of polymers, semi-finished plastic shapes and plastic parts made from these:

- Cassiterite/Tin
- Tantalum/Coltan
- Gold
- Wolframite/Tungsten.

Remark: As apart from that the above listed materials are not being used during production runs, consequently limiting values need not to be controlled!

Hoping our information is of use for you, we remain with

Kind regards.
